Medical Conditions/Medicines at Camp _____

I realize that participation by my child in any athletic activity involves risk of injury. I hereby agree to waive any claim against St. Rose of Lima School, Raiders Clinic, and any of its directors or employees for any injuries suffered by my child during this camp. My child has permission to participate in the Raiders Clinic and I am fully aware that Raiders Clinic does not carry medical insurance on participants. I accept and acknowledge this condition. I also certify that my child is playing at his/her own risk, thus releasing St. Rose of Lima and Raiders Clinic for any injury that may occur. I also certify that our personal insurance covers the medical costs that may occur as a result of this type of activity.
